REVISED TIMETABLE

for

IMPLEMENTATION OF NEW RATES BY NOVEMBER 1, 2005

Southwest Gas Corporation (Southwest) respectfully submits a revised timetable in connection with Southwest's request for the implementation of new rates by November 1, 2005.

On page 12 of the Application filed in the above-referenced Docket, Southwest set forth a proposed timetable. The timetable contemplated a Staff notice of sufficiency by January 7, 2005, and the conduct of a procedural conference by January 14, 2005. The Staff notice of sufficiency was docketed on January 26, 2005. Accordingly, since the proposed timetable was premised on an event which occurred nineteen (19) days later than anticipated, the entire proposed timetable should be revised. Following is Southwest's proposal for a revised timetable:

January 26, 2005	-	Staff Notice of Sufficiency
February 14, 2005	-	Procedural Conference

June 14, 2005	-	Filing of Staff & Intervenor Direct
July 12, 2005	-	Filing of Rebuttal
July 22, 2005	-	Filing of Surrebuttal
July 28, 2005	-	Filing of Rejoinder
July 29, 2005	-	Prehearing Conference
August 1, 2005	-	Commencement of Hearing
November 1, 2005	-	Effective Date of New Rates

Southwest is mindful that commencing the hearing on or about August 1, 2005, is no guarantee that new rates would be implemented by November 1, 2005. However, to the extent that moving efficiently through the hearing process is a factor, Southwest is committed to doing all that it can to help further as efficient a hearing process as is practicable.

The cooperation of the Commissioners, the assigned Administrative Law Judge, Staff, RUCO and all of the parties is respectfully requested in an effort to implement new rates by November 1, 2005.

Respectfully submitted this 8th day of February, 2005.
